

## Part One - Letter sent June 10, 2007 to Active Members of Friends of Trees

### Thank you to the:

- **46 volunteers** who turned out on Saturday and Sunday, May 12<sup>th</sup>-13<sup>th</sup> to plant 3500 seedlings (Scots Pine, Blue Spruce, Larch, Dogwood, Wolf Willow, Lilac and others) using the PFRA planting machine and planting by hand. We finished the day with a **Planter's Barbeque**.
- **36 volunteers** who applied plastic mulch on Saturday, May 26<sup>th</sup> using the PFRA mulch applicator and inserting metal clip in the ground beside each tree. Unfortunately, we ran out of mulch early in the day and were only able to complete about **20%** of the trees.
- **24 volunteers** who put in a long day on Saturday, June 2<sup>nd</sup> bringing the total completed up to **60%**.
- **14 resident volunteers** came out in the evening of Monday, June 4<sup>th</sup> to raise the total to **80%!**
- **22 more volunteers** who slaved in the hot sun on Saturday, June 9<sup>th</sup> to **complete the task!**  
**142** volunteer positions filled by **70 willing workers**, many who volunteered several times!

### We especially wish to thank:

- The PFRA for the donation of 500 seedlings, the use of the tree planter, mulch applicator and for the plastic mulch. (All free of charge.)
- Shand Power Corporation for the donation of 2500 seedlings.
- Joe Jozsa who ordered the trees and made the PFRA arrangements.
- Bob Clelland who went to Watrous to get the planter.
- Ken Arcand who donated the use of his water tank and plough, and went to Watrous for the mulcher.
- Keith Lonsdale who coordinated the mulching sessions.
- The resident "old coots" who manufactured the 3500 wire clips and who have been watering the trees using the town water truck. (And their wives who donated food for the planters' barbeque).

### What about the watering?

- Teams of volunteers will be watering the trees in the areas as shown on the map on the reverse side.
  - Please call your team leader if you would like to volunteer to help with watering.
  - The watering tank will be parked at the pump house for you to use.
- The village staff will do the watering for some of the areas (as indicated on the map).
  - If your team is unable to water on a particular week, leave a message for Dave (854-4637 and staff will cover your section temporarily.

### Planning for the Future:

- A meeting is tentatively planned for **SATURDAY, AUGUST 18<sup>TH</sup> AT 10:00 A.M. AT THE COMMUNITY CENTER**. The purpose of the meeting will be to:
- Review the 2007 season,
  - Plan for the next phase of the tree planting.
- Active members are urged to mark their calendars!
  - Please send us an email or phone the office indicating that you would like to be included in this planning session. We will confirm the date with those of you who wish to be part of the planning.
- A Big Thank You to our Active Members!**
