2. The Village Clerk will invoice the property owner as per one of the following rates:
 - 2.1 At the **base rate** as set per Council as part of their annual rate review, charged per service call *if the driveway is cleared at the same time as the snow is being cleared from the village streets.*
 - 2.2 At the base rate **plus an additional 50%** charged per service call *if the driveway is cleared at a time when the village streets are NOT in the process of being cleared.*

Seasonal service

3. Annually, in the fall, property owners will be given the opportunity to purchase seasonal snow clearing services for their driveways at an annual rate equal to **2.5 times the base rate set in #2.1.**
 - 3.1 Purchase of the seasonal service will entitle residents to have their driveways cleared whenever the village streets are being cleared of snow.
 - 3.2 For those residents with double-driveways or extended off-street parking, the charge for this seasonal service will be **an additional 50%** in addition to the rate set in #3.
